How do I replace a rear strut on a 2004 Chrysler Convertible? Does the back seat need to come off to get to it? Can't figure it out and there are no youtube videos to show how to get to it...Any help would be appreciated.

2002 Dodge Stratus SXT V6 warning light for the radiator/thermostat light keeps coming on even though there is coolant and it's coming on before I feel the car has even had a chance to warm up and I don't answer. Not hissing or really acting funny even the light just keeps coming on and the coolant level never moves. My cruise is set to on as soon as I turn over my car now I just need to know ...

The Mercedes-Benz W116 is a series of flagship luxury sedans produced from September 1972 until 1980. The W116 automobiles were the first Mercedes-Benz models to be officially called S-Class, although earlier sedan models had already unofficially been designated with the letter 'S' – for Sonderklasse or "special class."
